

POL-PRO-FLH

Thank you for purchasing XTC Power Products Fang Light Harness. This Harness is completely plug and play, no wires to cut, no crimping, just Plug into the Polaris Pulse Bar and the new Fang Lights.

1. Remove one of the blank plugs from the Busbar and plug the harness in
2. Run cables to each Fang Light
3. Remove Factory Blank or Factory Fang Light
4. The opening for each fang light must be trimmed out so that the raise in the new light wire can fit, shown below with the arrows.
